WOMEN IN BUSINESS

KANSAS CHAMBER

The Kansas Chamber's Women in Business event brings together Kansas business leaders for a day focused on leadership, influence, connection, and professional growth. Through strong mainstage content, intentional networking, and a curated experience, this event is designed to help attendees strengthen how they show up, build influence, and lead in the moments that matter.

The event will also feature thoughtfully selected attendee experiences and resources that complement the day's focus on leadership, influence, connection, and professional growth.

WHY SHOULD YOU SPONSOR?

As one of the Kansas Chamber's signature advocacy events, the Women in Business Conference provides sponsors with direct visibility among Kansas business leaders.

View the [2025 Event Impact Report](#) to see the reach, engagement and value generated through last year's WIB conference. This report is shared annually with sponsors.
